

AdamsPlace remembers **Mr. E.B. Cotton**

If you had asked Mr. E.B. Cotton, he wouldn't have hesitated to tell you he's a very blessed man. He grew up in Hohenwald, TN and met his future wife while attending Lewis County High School. Shortly after graduating from Draughtons Business College, he and his new bride made the big move to Nashville, where Mr. E.B. landed a job with NC & L Railroad. Within two years, he managed to transition to a job with Retail Credit as an auditor for workers comp claims.

During his 45 years with the company, he watched it transition to Retail Credit and then Overland Solutions. Even though he loved his job and enjoyed his time there, his pride and joy is his family. Mr. E.B. has been married to his wife, Ann, for 57 years, and will tell you how proud he is of his two children and six grandchildren.

Since an unfortunate fall in his bedroom in December of 2010, Mr. E.B. had undergone multiple surgeries and spent a lot of time at AdamsPlace Rehab.

He said even though nothing is better than home, AdamsPlace Rehab is a close second. Mr. E.B. made sure to brag on every employee he encountered, starting with therapy, which he said is the best.

Bill Braush and Dinah Ramsey were his therapists who worked to get him back on his feet, literally. Nursing will get you anything you ever ask for, and Donna in recreation always makes sure to have activities, like Bingo, ready for everyone to play. Even the food has met his expectations, because he said it's excellent—and he would know having spent Thanksgiving and Christmas here at AdamsPlace. And if his loving wife was ever unavailable to take him to his doctor appointments, John, from Care Ride, was always there to make sure he got there safe and on time.

Mr. E.B. had said he would always be grateful for the care and compassion given to him by the people here, along with his wonderful wife, family, church, and friends. He considered himself lucky to have had a place as great as AdamsPlace right here in his hometown.
